Ellen Leuner opened the meeting by mentioning upcoming events including:

- Current Issues on Friday, March 5
- The Art Interest Groups docent tour on March 22nd of the latest exhibit at the Katonah Museum of Art
- April 17 our Girls for STEM , virtual seminar for 7th & 8th grade girls in partnership with Mount Saint Vincent College.
- May 17 Program Planning meeting for next year 2022-2023 Branch meetings. All members are welcome to participate.
- AAUW's voting on our 2022-2023 Budget and Slate of Officers is currently going on. Please email and mail your ballot to Sue Lambert. More information on voting and details of the ballot is available in CHIPS.

Marie McKellar introduced our speaker, Lisa Finer, Board chair of Sharp Again Naturally. Sharp Again Naturally is an organization devoted to preserving memory lost due to aging or trauma. We learned about diet, exercise, and multiple changes in lifestyle that can help prevent or reduce dementia.

This was the first hybrid meeting for AAUW Westchester. We thanked the Town of Greenburgh librarian, Christa O'Sullivan, and Justin Sanchez, the Library's tech wizard, for making this happen.

Respectfully Submitted: Elaine Weiss
