

AAUW Board Meeting, Wednesday May 12, 2021.
Ellen called the Meeting to Order at 4:01

Present: Ellen Leuner, Marjorie Kingsley, Cynthia Platter, Marie McKeller,
Lorrin Johnson, Mary Login, Elaine Weiss

Old Business:

Our membership is at 151 with 2 more pending. Judy Walsh spoke about a new member, Sue Rider, of Courtland Manor.

Cynthia asked that we send dues checks to her. We discussed trying to help raise funds by simply asking members to round off their dues with a contribution. An example is \$98 rounded off to \$100. We update the amount and ask for rounding off to contribute. There is no contribution to New York state this year. Those who don't send a check we asked to use pay-pal.

We will have Spring Fling via zoom on June 2nd at 5:30. All 4 of our WCC Scholarship recipients will speak. Marilee shared the contact information with our chapter as we get ready for spring fling.

Lorin summarized the EYO the April 17 EYO Conference. There were 7 workshops with 35 girls. The cost was a little over \$500. Mercy college presents a transportation problem. The college of Mt St. Vincent is easy to reach by public transportation. The new President, Susan Burns, wants to work with us. We Need to think about STEM as part remote rather than the full personal presence of the past.

New Business:

Mary Login reminded us that the running and Winning Workshop will take place on May 18th rather than in early April. We work with the League of Women Voters. The event is at the White Plains YWCA with 29 participants. The sponsors were able to pay for buses from Yonkers.

The partnership between us and the Bedford Hills Correctional Facility is suffering from difficulty getting into the facility.

Our Wednesday, June 9th meeting is at 10:30 AM. Ellen asked all board members to Review the Board Handbook that describes your individual position. She also would like each of us to look at the timeline on pp.18-19. We only have 2 incoming board members in June. After reading the information, ask yourself, "What would have made your job easier if you had known certain things before your term began?"

We devoted the last part of our meeting to discuss summer fun. Cynthia Plater offered to organize adventures. Lorin mentioned a hike in the Back Forest. We have a member who is a docent at Untermeyer Gardens. We will learn more about summer fun activities at the June 9 meeting.

Respectfully Yours,
Elaine Weiss
